Name of Health Consumer Organisation	Discription of and/or purpose of support	Nature of support (monetary value or equivalent) or description of non-financial support
Pain Australia	<p>Seqirus provided an unrestricted grant to Pain Australia to be able to complete an updated economic cost of chonic pain in Australia review. The initiative was to deepen the understanding and update the economic cost of pain within Australia . The last major report to estimate the economic cost of chronic pain in Australia was published in 2007. Key areas Pain Australia wanted to focus on to better understand the impact of pain were:</p> <ul style="list-style-type: none"> • productivity; • health care costs; • communities and families; and • socio-economic outcomes 	\$14,000
